Re: United States v. Omar Chafei
22 MAG 7294 (PED)

Your Honor:

This letter is to clarify the previous request to travel.

The defendant requests permission to travel from his residence in South Bend, IN on August 23, 2023 to Harrisburg, PA. He will be staying in Harrisburg, PA from August 23, 2023 thru August 26, 2023. Furthermore, he will be travelling on August 27, 2023 from Harrisburg, PA to Dulles Airport in Washington, DC to drop off his wife and children. On August 28th and 29th he will be back in Harrisburg, PA. He will be travelling back to South Bend, Indiana on August 29, 2023.

The Government takes no position to this application. I communicated with Pre-Trial Services in Indiana. They "take no position" to the request. I have emailed pre-trial here in New York. Andrew Abbot of SDNY Pre Trial Services emailed my law office and stated he has "no objection" to the request.

Thank-you for Your Honor's attention to this matter.

Respectfully,

Matthew D. Myers
Attorney at Law

SO ORDERED:

Application granted, However, any future requests for permission to travel must include the reason for the travel.
